

Notice of Consideration of Refunding Transaction Great Lakes Water Authority

Great Lakes Water Authority (the "Authority") is issuing one or more series of its Water Supply System Revenue Bonds and Sewage Disposal System Revenue Bonds (collectively "the 2020 Bonds"). If, and when issued, the 2020 Bonds will be used to provide proceeds for certain new money projects of the Systems and to refund certain outstanding CUSIPs provided in the list below.

The size, timing, structure and potential refunding candidates are subject to market conditions, and the Authority reserves the right, at its sole discretion, to determine whether to issue the 2020 Bonds, as well as whether to change the size, timing, structure and choice of the refunding candidates. The bonds listed below were originally issued by the City of Detroit (the "City") or the City acting through its Detroit Water and Sewerage Department and were subsequently assumed by the Authority on January 1, 2016.
