Adding the COVID-19 Visitor Questionnaire Form to Your iPhone Home Screen

1. In the Safari browser [open the Visitor COVID-19 Questionnaire with COVID-19 Testing /Vaccination Requirements](https://app.smartsheet.com/b/ft)

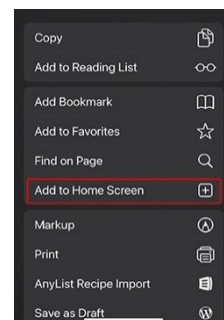

Note: this only works when using the Safari browser.

2. At the bottom of the window select the icon that's a rectangle with an arrow pointing up.

3. Scroll to the "Add to Home Screen" option and select it.

4. At the top of the next screen there is an option to name the shortcut.
5. Select the "Add" Option in the top right corner. The window should close automatically, returning to the home screen where the new icon should be.
