ITEM 7. Consider Approval of Resolution to Concur in the Rules and Regulations Concerning Industrial Pretreatment Program as Adopted by GLWA

Public Works Manager Katie Fotherby described the resolution.

The Great Lakes Water Authority (GLWA) provides an Industrial Pretreatment Program. The program is meant to discharge commercial and industrial waste and wastewater. The only changes added to GLWA's rules and regulations are to include Polyfluoroalkyl Substances (PFAS). Currently, no industrial sites in Bloomfield Township are disposing PFAS. Attorney Mark Roberts reviewed the resolution.
