GENERAL DISCHARGE PERMIT
for Residential Rehabilitation or Demolition Projects

☐ Emergency Demolition

This application for a General Discharge Permit for Residential properties subject to rehabilitation or demolition will, upon approval, authorize a homeowner or contractor to discharge water that has accumulated at the residential home / residential site to the public sewer in accordance with the conditions stated in Part III, for a period of ten (10) days from the date of GLWA approval. This General Permit DOES NOT APPLY to any commercial building or property having a residential loft or apartment space. Commercial properties must comply with the Special Discharge requirements. Supporting documentation required for Emergency Demolition.

I. General Information

1.	Name of Applicant	****		
2.	Applicant's Mailing Address	****		
3.	Applicant's Title	****	Telephone No.	****
4.	Project Site Address	****		
5.	Name of Contact Person (if different from applicant)	****		
6.	Contact Person's Title	****	Telephone No.	****

II. Discharge Specific Information

1.	Describe the location of the proposed point of discharge/manhole (catch basins are not allowed for use as discharge point)	****	
2.	Start Date of Discharge Project	****	
3.	End Date of Discharge Project (see III, 4)	****	
4.	Estimated volume of wastewater discharge over the project duration	****	☐ gallon ☐ ft^3

III. Terms of Discharge under General Permit

1. Discharge must be directed to sewer manhole nearest to the property. No street or catch basin is authorized for use.
2. The authorized party must use an appropriate filter or screening material (less than 1/8") to remove debris, solids and mud. Upon completion of discharge, the captured material shall be disposed of as a solid waste.
3. This authorization is for a limited period of ten (10) days and includes both removal of water from a residential basement and an "open hole" from the date of authorization. Should additional time be needed beyond the authorized period, you MUST contact the GLWA at 313-297-5875 or IWC@glwater.org , to request an extension.
4. The applicant shall notify the GLWA at (313) 297-5839 at least 24 hours prior to and following completion of the discharge.

IV. Certification Statement

I certify under penalty of law that I have personally examined and I am familiar with the information in this application and that based upon my inquiry of those persons immediately responsible for obtaining the information contained in this application, I believe that the information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and/or imprisonment.
