

Welcome to the February edition of *The Procurement Pipeline*, a monthly newsletter designed to provide updates on doing business with the Great Lakes Water Authority (GLWA).

GLWA's Fraud and Ethics Hotline

GLWA is committed to transparency in all aspects of its operations and counts on its vendors, as well as team members and member partners, to help ensure that we meet this level of accountability.

To assist in this effort, GLWA has engaged CallsPlus, an independent, round-the-clock report intake service to investigate any concerns regarding unethical, illegal, or unsafe activity. Some common examples of such activities include, but are not limited, to the following:

- Harassment or bullying
- Discrimination
- Crimes and threats
- Ethics violations
- Theft of cash, goods, or services
- Use or sale of illegal drugs
- Vandalism

If a GLWA Vendor suspects that any activity is illegal or unethical, or that there is a potential for loss of health or danger to the public, they can call the toll-free GLWA Fraud & Ethics Hotline at **(888) 882-GLWA (4592)** or file a report online at <https://glwa.callsplus.net>. CallsPlus can be contacted with complete privacy, 24 hours a day, seven days a week, 365 days a year.

Each allegation will be documented by a professional interviewer. You have the option to report anonymously. Information will be relayed to GLWA for investigation or appropriate follow-up. All reports submitted to the Hotline will be handled promptly and discreetly, without retaliation.

GLWA encourages the Vendor community that if they see any activity they suspect is illegal or unethical then say something to help GLWA maintain a safe and ethical workplace for all.
