

Welcome to the May edition of *The Procurement Pipeline*, a monthly newsletter designed to provide updates on doing business with the Great Lakes Water Authority (GLWA).

GLWA's FY 2023 Annual Procurement Report

Each year, GLWA produces a report detailing all procurement activity for the last fiscal year. The [FY 2023 Annual Procurement Report](#) demonstrates GLWA's commitment to transparency in public procurement by providing detailed information on GLWA purchasing and spending. Key report highlights for FY 2023, which spans July 2022 through June 2023, are below.

- ✓ Procurements awarded totaled \$594.9 million;
- ✓ Procurement executed 4,036 new purchase orders;
- ✓ The total payment to vendors was \$566.3 million; and
- ✓ 93% of all awarded purchases were connected to a formal contract.

The report also demonstrates how GLWA is a significant contributor to the regional economy of Southeast Michigan by including the top ten dollar value projects, top ten Capital Improvement Projects (CIP) invoiced and the top ten vendors by total spend. In addition, detailed appendices conclude the report which provide information on four subjects.

1. All contracts awarded, including contract number, vendor, and total amount of the contract;
2. All vendors awarded, including the contract number, the vendor, and the total amount of the contract;
3. All contracts invoiced; and
4. All vendor payments by invoice.

GLWA's mission is to exceed our member partners' expectations by providing water of unquestionable quality as well as efficient and effective wastewater

services—but also, and importantly, to promote and support economic growth in the region we serve through our strategic sourcing practices.

Reminder: June 2024 New Solicitation Pause

During the month of June 2024, the GLWA Procurement Team will pause the advertisement of new solicitations in the Bonfire Procurement Portal and the issuance of new purchase orders. This temporary pause will allow Procurement to fully migrate data on existing purchase orders and contracts into GLWA's new Enterprise Resource Planning (ERP) system Workday, which will launch on July 1, 2024. For more information about the June Pause, please review the [April 2024 Procurement Pipeline](#). Additional questions may be directed to GLWAVendorOutreach@glwater.org.

Virtual Vendor Introduction Meetings
