

Welcome to the August edition of *The Procurement Pipeline*, a monthly newsletter designed to provide updates on doing business with the Great Lakes Water Authority (GLWA).

GLWA's 2024 Vendor Outreach Event

In the July 2024 edition of the *Procurement Pipeline*, we announced that GLWA will be hosting a Vendor Outreach Event on September 26, 2024. GLWA's event will be held in-person at the Auburn Hills Marriot Pontiac in Pontiac, Michigan and will help both existing and new vendors learn more about doing business with GLWA. Interested Vendors are encouraged to pre-register at the [Whova Registration page](#) and download the free Whova App to connect with other attendees in advance of the September event. An overview of the event agenda is included below.

7:30 a.m. – 8:30 a.m. Registration & Breakfast

Vendors may come early to register, enjoy breakfast, and network with other vendors.

8:30 a.m. – 10:25 a.m. General Session

A welcome from GLWA CEO Suzanne Coffey will precede presentations on GLWA's Financial Outlook, Ethics in Public Procurement, What's New in Procurement, and an open Q&A session. In addition, a panel discussion on "How we Select our Subcontractors" featuring five GLWA prime contractors facilitated by GLWA's Chief Procurement Officer will follow.

10:40 a.m. – 12:00 p.m. Breakout Sessions

Vendors may attend one of two concurrent breakout sessions. The first is a construction and engineering focused breakout session that features GLWA's Capital Improvement Plan (CIP) Project Management Plan rollout as well as project delivery schedules. The second is a services and goods focused breakout session that features a panel discussion on how to successfully respond to GLWA requests for bid or proposal as well as a

presentation on GLWA's Vendor Performance Assessment program.

10:40 a.m. to 12:00 p.m. Resources & Networking

Vendors will have the opportunity to talk one-on-one with members of the GLWA Procurement and Accounts Payable Teams as well as representatives from the Business Inclusion and Diversity (B.I.D.) Program, the Affordability and Assistance Program, and the Detroit Water and Sewerage (DWSD) Procurement Department among others.
