GLWA COMPLETED REPAIR OF ITS 36-INCH WATER TRANSMISSION MAIN ON 24 MILE ROAD NEAR GRATIOT IN CHESTERFIELD TOWNSHIP; LENOX TOWNSHIP HAS LIFTED ITS BOIL WATER ADVISORY

- *GLWA's Field Service crews and emergency contractors have completed the replacement of three 20-foot sections of its 36-inch water transmission main in Chesterfield Township*
- *One section was replaced after being damaged by a utility contractor working in the area; two additional sections were identified for replacement during a proactive inspection while the main was out of service*
- *Lenox Township has lifted the boil water advisory that was in place for a section of the township*

DETROIT – On Tuesday, February 24, 2025, the Great Lakes Water Authority (GLWA) identified a leak on its 36-inch water transmission main on 24 Mile Road just west of Gratiot Avenue in Chesterfield Township. The leak was created when a utility contractor working in the area struck the main.

GLWA's Field Service crews and emergency contractors have completed the replacement of three 20-foot sections of its 36-inch water transmission main in Chesterfield Township. One section was replaced after being damaged by a utility contractor working in the area, and two additional sections were identified for replacement during a proactive inspection while the main was out of service.

After two sets of water quality tests came back clear, Lenox Township has lifted the boil water advisory that was in place for a section of the township.

About the Great Lakes Water Authority (GLWA)

The Great Lakes Water Authority (GLWA) is the provider-of-choice for drinking water services to nearly 40 percent, and efficient and effective wastewater services to nearly 30 percent, of Michigan's population. With the Great Lakes as source water, GLWA is uniquely positioned to provide those it serves with water of unquestionable quality. GLWA also has the capacity to extend its services beyond its 88 member partner communities. As part of its commitment to water affordability, the Authority offers a Water Residential Assistance Program to assist low-

income households in participating member communities throughout the system. GLWA's board includes one representative each from Oakland, Macomb, and Wayne counties, two representatives from the city of Detroit, and one appointed by the Michigan governor to represent member partner communities outside of the tri-county area.
